

### ABOUT THE WTA 1000 TOURNAMENT LEVEL

- In 2022, the WTA 1000 Tournaments included the following eight tournaments: Doha/Dubai, Indian Wells, Miami, Madrid, Rome, Montreal/Toronto, Cincinnati and Guadalajara.
- Indian Wells, Miami, Madrid and Beijing award 1,000 ranking points to the champions, while the other tournaments within the WTA 1000 level award 900 ranking points to the winner.
- The tournament level was originally introduced to the Tour in 2009 as Premier Mandatory and Premier 5 tournaments and later changed to WTA 1000 in 2021.
- Doha and Dubai share the rights to host the WTA 1000 level tournament in February. Dubai hosted the respective tournament level for the first three years (2009-11) as Doha hosted the WTA Finals, leading to Doha hosting from 2012-14. Since 2015, Dubai (odd years) and Doha (even years) alternate hosting the tournament. Each tournament has it's own record books for statistical purposes.
- Montreal and Toronto alternate hosting the Rogers Cup in Canada. The tournament tracks records as one tournament.
